The Fundamental and Subsidiary Rules, 1st Edition (Reprint), 1929.

Page 389—Delegation Chapter.—In item 70 as inserted by correction slip No. 353, the words "or governing bodies" shall be added after the words "Principals" occurring in the second line of the last column.

Page 274—Appendix No. 10.—For the existing item 1 under "Land Revenue," *substitute* the following:—

"1. Kanungos temporarily appointed for settlement duty. Entitled to no travelling allowance except actual railway or steamer fare of their class when travelling on duty by rail or steamer. Travelling allowance may, however, be granted under the following circumstances:—

If a kanungo is placed in charge of a circle or of more than one halka he may be permitted to draw daily allowance for those days on which it is necessary in the interest of public service for him to halt at a place over 8 miles from his circle or halka camp, which place shall be regarded as his temporary headquarters: Provided that he shall not draw such daily allowance unless he has obtained the previous permission in writing of the Settlement Officer or Assistant Settlement Officer in charge to make such halts and provided further that he shall not draw such daily allowance for more than three consecutive days at any one time."

Page 23—F. R. 26.—Under clause (*a*) of this rule *insert* the following as an Audit Instruction (2), numbering the existing Audit Instruction (1):—

"Audit Instruction (2). Although joining time taken under Fundamental Rule 105(*b*) and (*c*) is treated as duty under Fundamental Rule 9(*6*)(*a*)(*ii*), it cannot be treated as duty for the purposes of increment in an *Officiating* post inasmuch as only leave salary is drawn for the period."

Note.—The Government of Bengal have adopted this instruction for persons subject to their rule-making control.

Page 151—F. R. 85.—Insert the following as paragraph 3 of Audit Instructions under this rule:—

"(3) 'Leave not due' applied for by a Government servant with or without medical certificate is 'leave admissible under rule' and in cases where 'leave not due' can be granted, the grant of extraordinary leave under Fundamental Rule 85 will be irregular unless the latter kind of leave is specifically applied for in writing."

Note.—The Government of Bengal have adopted the same instructions for persons subject to their rule-making control.

Page 119—F. R. 68.—Under this rule *insert* the following:—

"Audit Instruction. The joining time of a Government servant who returns from leave out of India and disembarks, not at the first port of call in India, but at another such port, should be reckoned from the day of arrival of the vessel at the second or subsequent port at which he actually disembarks, whether the sea journey from the first port of call in India to the subsequent port of disembarkation is made in the *same* steamer which takes him to the first port of call or in *some other* steamer."

Note.—The Government of Bengal have adopted the same instruction for persons subject to their rule-making control.

Pages 141-42.—F.R. 81(b).—Number the existing Audit Instruction as (1) and *insert* the following as (2):—

"2(*a*). In addition to leave on average pay for four months under Fundamental Rule 83(7)(*a*) which is not debitable to the leave account, the maximum amount of leave on average pay that can be taken whether under Fundamental Rule 83(7)(*b*) or under Fundamental Rule 81(*b*) or both can be only eight months. This follows from a consideration of the wording in Fundamental Rule 83(7)(*b*), under which a Government servant is allowed to draw leave salary equal to average pay for a period not exceeding the period which would otherwise be admissible to him as leave on average pay. Under Fundamental Rule 81(*b*) this period is limited to eight months under clause (*i*) or four months under clause (*ii*) which may be extended by another four months in certain circumstances (*vide* proviso to clause (*ii*). In case leave on average pay for eight months, if due under Fundamental Rule 81(*b*), is all taken under Fundamental Rule 83(7)(*b*), no further leave on average pay can be taken under the provisions of the former rule. The total leave *on average pay* that can be granted to a Government servant therefore is only twelve months, viz., four months under Fundamental Rule 83(7)(*a*) and eight months under Fundamental Rule 83(7)(*b*) or under Fundamental Rule 81(*b*) or both.

(*b*) Under Fundamental Rule 83(*4*) special disability leave can be combined with leave of any other kind. There is no objection to the interpolation of ordinary leave between periods of special disability leave provided that the limits laid down in Fundamental Rule 81(*b*) are not exceeded in respect of leave on average pay other than special disability leave taken under Fundamental Rule 83(7)(*a*). An amplification of Fundamental Rule 83(*4*) has not been considered to be necessary as Fundamental Rule 81(*b*) indicates clearly that for the calculation of the maximum, leave on average pay other than such leave taken under Fundamental Rule 83(7)(*a*) should not be excluded."

Note.—The Government of Bengal have adopted the same instructions for persons subject to their rule-making control.

Page 148.—F.R. 83(7)(b).—Under this rule *insert* the following:—

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1935 :—

L. A. BILL No. 7 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898 ; It is hereby enacted as follows :— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Repeal of section 30, Act V of 1898.

2. Section 30 of the Code of Criminal Procedure, 1898 (hereinafter referred to as the said Code), shall be repealed. V of 1898.

Repeal of section 34, Act V of 1898.

3. Section 34 of the said Code shall be repealed.

Amendment of section 34A, Act V of 1898.

4. In section 34A of the said Code,—

(*i*) the word and figures " and 34" shall be omitted ; and

(*ii*) the word " and " shall be inserted between the figures " 31 " and " 32 ".

Amendment of section 35, Act V of 1898.

5. In clause (*b*) of the proviso to sub-section (*2*) of section 35 of the said Code, the brackets, words and figures " (other than a Magistrate acting under section 34)" shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

These provinces having acquired the status of Governor's province, such a discrimination shall no longer be permitted. The accused charged with serious offences are not satisfied with the trial held before Magistrates who are especially empowered under these sections. In most cases the Magistrates in their zeal to show, what they term good disposal, hurriedly proceed with the trial with the result that cool and calm consideration of the facts of the case is not possible as is actually the case in Sessions trials. As the administration is being reformed it is desirable that standard of judicial administration be also raised in these provinces in order to inspire greater confidence in the Courts.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 27th March 1936.

Forecast of the Rabi Crops of Bengal for 1935-36.

(*Note.*—On an average of the five years ending 1933-34, the area under summer rice in Bengal has represented some 0·4 per cent. of the total area under rice in British India.)

Character of the season.—Prolonged drought, which prevailed from October onwards, adversely interfered with sowings and growth in West Bengal districts. As a result both area and outturn was reduced. Elsewhere a fairly satisfactory crop was reaped excepting in Bogra, Pabna and Dacca, where absence of moisture affected the yield.

Acreage.—The normal area under the different *rabi* crops dealt with in this forecast is estimated at 3,517,000 acres. The area actually sown this year is reported to be 3,036,400 acres as against 3,093,700 acres last year. Of this, the area under summer rice is reported at 403,700 acres as against 407,900 acres last year and that under tobacco is 307,100 acres as against 307,600 acres last year.

Outturn.—According to District Officers' estimates, the average outturn of the different *rabi* crops for the province, as a whole, works out at 76 per cent. of the normal as against 85 per cent. last year, the outturn for the more important *rabi* districts being as follows:—

Mymensingh 90, Dacca 67, Rangpur 83, Murshidabad 68, Faridpur 83, Pabna 67, Noakhali 70, Rajshahi 76, Tippera 75, Bakarganj 100, Jalpaiguri 84, Malda 83, Nadia 34, Bogra 65 and Jessore 39.

Summer rice and tobacco crops.—The outturn of summer (*boro*) rice, according to district estimates, is 85 per cent. of the normal as against 93 per cent. last year. The gross yield of the crop for the province on a basis of the normal yield of 15 maunds of clean rice per acre is estimated at 189,100 tons this year as against 209,000 tons last year.

The outturn of tobacco crop is estimated at 79 per cent. of the normal as against 88 per cent. last year. Taking 14½ maunds as the normal yield of the crop per acre, the gross yield of the crop for the province this year is estimated at 129,200 tons as against 144,200 tons last year.

K. McLEAN,

Director of Agriculture, Bengal.

Khulna, the 28th March 1936.

Resolution on the annual progress report on forest administration in the Presidency of Bengal for the year ending the 31st March 1935.

DEPARTMENT OF AGRICULTURE AND INDUSTRIES.

Forests.

CALCUTTA, THE 20TH MARCH 1936.

RESOLUTION—No. 454For.

Read—

The annual progress report on forest administration in the Presidency of Bengal for the year ending the 31st March 1935.

Read also—

The reports of the previous three years and the Government resolutions thereon.

Mr. E. O. Shebbeare held charge of both the circles throughout the year.

2. *Area.*—There was a total decrease of 17 square miles and 240 acres in the area of reserved forests. The decrease was mainly due to the exclusion of 13,802 acres from the non-Araipara portion of the Attia Forests of the Dacca-Mymensingh Division on account of the unwillingness of the proprietors to keep them under Government management. The area of protected forests increased from 705 square miles to 742 square miles consequent on the declaration of khas forests in the Chittagong Division as Protected Forests. The area of Unclassed State Forests remained unaltered. As a result of these changes, the total area of all forests (excluding leased lands) at the close of the year was about 10,658 square miles or 13·84 per cent. of the total area of the Presidency as against 10,639 square miles in the year 1933-34.

3. *Communications and buildings.*—Owing to want of funds, no new roads were constructed during the year, and only one bridge, over the landing ghat at Kaptai in the Southern Circle, was constructed at a cost of Rs. 50. The total expenditure incurred in the construction of new buildings was Rs. 12,690 against Rs. 9,235 in the previous year. Although the need for thorough repairs to buildings was keenly felt in many cases, it was not possible, on account of financial stringency, to make any considerable progress in this direction. The total cost of repairs to buildings in the two circles was Rs. 37,100 against Rs. 36,811 in the previous year.

4. *Working plans.*—The new working plan for the Kurseong Division excluding Mahaldaram and Dhobijhora was printed and sanctioned. The revision of the working plan for the Kalimpong Division was completed during the year. In the Southern Circle, the prescriptions of the sanctioned working plans were followed as far as circumstances permitted and all deviations were duly sanctioned. In the Chittagong Division, however, the prescriptions of the working plan which is under revision were adhered to.

5. *Damage from natural causes.*—Climbers did considerable damage in high forests as well as in plantations Operations against climbers had to be curtailed owing to want of funds, though efforts were made to deal with them as far as possible.

Several landslips occurred during the year and erosion by rivers continued. The protective bund against the Torsa river was completed at a cost of Rs. 1,408. It was maintained and properly repaired at the close of the year at a cost of Rs. 2,331 to stand against possible eventualities.

6. There was an increase in the value of the total outturn of produce extracted departmentally as compared with the figures of the previous year. The supply of matchwood to Calcutta continued at a profit. Endeavours were made by the Forest Utilisation Officer, Bengal, to find markets for purchasers' timber and for timber extracted departmentally. The value of the year's sales effected by him was Rs. 3,88,083 against Rs. 2,56,363 in 1933-34. The total value of the sales of forest produce during the year amounted to Rs. 13,78,307 against Rs. 11,81,986 in the previous year.

7. *Revenue and expenditure.*—The revenue, expenditure and surplus are compared below with those of the previous year:—

	Revenue.	Expenditure.	Surplus.
	Rs.	Rs.	Rs.
1933-34 ..	15,02,561	14,42,183	60,378
1934-35 ..	17,82,542	14,90,019	2,92,523

8. *General.*—The general condition of the elephants was on the whole good. The total number of elephants on the stock list in the two circles at the close of the year was twenty-five including three calves.

During the year, forty-five persons were killed by tigers and three men and one woman were killed by leopards. Four men and one woman were killed by wild elephants. Rs. 4,000 was paid as rewards for three tigers killed in the previous year and thirty-seven tigers and three cubs killed during the year. Rewards for four tigers killed during the year were not paid on account of careless preservation of skins in three cases and for shooting in a cage in one case. No reward was paid by the civil authorities during the year for killing tigers.

The activities of the Torsa Sankos Fishing and Shooting Association continued. The object of the game sanctuary in the Buxa Division was achieved and the poaching of rhinoceros in the locality was brought under control. The campaign against unlicensed guns was continued.

The collection of tolls for fishing in the rivers within the reserved forests in the district of Khulna amounted to Rs. 12,839 during the year against Rs. 10,494 in the previous year.

The joint survey of the Karnafuli drainage area in the Chittagong Hill Tracts Division resulted in the reopening of the Barkal toll station during the year on the 1st November 1934, on conditions mutually agreed upon by the Governments of Bengal and Assam. Assam is to get two-thirds of the revenue collected *less* two-thirds of the expenditure incurred.

During the year, the Divisional Forest Officer, Dacca-Mymensingh Division, exhibited forest produce in the Agricultural Exhibition at Joydebpur (Bhowal). A first class certificate was awarded by the President of the Exhibition.

The thanks of the Governor in Council are due to Mr. E. O. Shebbeare for his successful administration of the forest circles. His Excellency in Council also notices with pleasure the record of good work done by other officers of the department mentioned in the report.

Order—Ordered that the above resolution be published in the *Calcutta Gazette*.

Ordered also that a copy of the above resolution be forwarded to the Conservator of Forests, Bengal.

18. (*1*) If there is any doubt or dispute as to the existence or amount of any debt, the Board shall decide whether the debt exists and determine its amount :

Provided that a decree of a Civil Court relating to a debt shall be conclusive evidence as to the existence and amount of the debt as between the parties to the decree.

(*2*) Before passing any order under section 19, 21, or 22 the Board, after considering the statements of debt submitted under section 11 and sub-section (*1*) of section 13 and after hearing the parties and considering the evidence produced shall, in accordance with rules made under this Act, determine in respect of each debt the amount of the principal and the amount of the arrears of interest due thereon from the debtor up to the date of such determination.

(*3*) In determining the original principal of a debt for the purposes of proviso (*ii*) to clause (*b*) of sub-section (*1*) of section 19, the Board shall determine the amount of the original loan, after excluding any amount of interest on such loan which may at any time have been included as principal.

(*4*) When the Board has determined under sub-section (*2*) the amounts of the principal of a debt due from a debtor and of the arrears of interest due thereon, the decision of the Board in this respect shall not be questioned in any Civil Court or in any manner other than that provided in this Act.

Settlement of debts.

19. (*1*) Subject to rules made under this Act—

(*a*) when any creditor agrees in respect of any debt owing to him to an amicable settlement with the debtor, the Board shall embody such settlement in writing ; or

(*b*) when creditors to whom there is owing not less than forty *per cent.* of the total debt, agree to an amicable settlement with the debtor, the Board, if it is so empowered under section 7 and if it considers that an offer made by the debtor for the settlement of any debt not included in the amicable settlement is a fair offer which the creditor concerned ought reasonably to accept, may pass an order that the debt to which the offer relates shall be settled in accordance with such offer :

Provided that for the purpose of this clause an offer shall not be considered by the Board to be a fair offer—

(*i*) if its terms are less favourable than the terms of the amicable settlement relating to a debt of the same description, or

(*ii*) if it contemplates the reduction of any debt to an amount which is less than the original principal of the debt as determined under sub-section (*3*) of section 18, unless creditors to whom there is owing not less than sixty *per cent.* of the total debt agree to the proposed reduction.

The Bengal Agricultural Debtors Act, 1935.

(Sections 20—22.)

(*2*) The terms of any settlement of debts under sub-section (*1*) shall be embodied in an award to be made by the Board.

Explanation.—The words "total debt" mean the sum total of all debts which have been determined under section 18 or regarding the amount of which there is no doubt or dispute.

Decision by Board as to whether a person is a debtor.

20. If any question arises in connection with proceedings before a Board under this Act, whether a person is a debtor or not, the Board shall decide the matter.

Grant of certificate in respect of certain debts.

21. Subject to any rules made under this Act, if any creditor does not accept an offer made by the debtor which in the opinion of the Board is fair and such as the creditor ought reasonably to accept, the Board if it is so empowered under section 7, instead of passing any other order which it is competent to pass, may grant to the debtor a certificate in the prescribed form in respect of the debt to which the offer relates,

and thereafter, notwithstanding the provisions of any law for the time being in force, no Civil Court shall allow to the plaintiff, in any suit for the recovery of such debt, any costs in such suit or any interest on the debt after the date of such certificate in excess of simple interest at the rate of six *per cent. per annum* on the principal of such debt as determined under sub-section (*2*) of section 18, and no decree for the recovery of such debt shall be executed until all amounts payable under an award in respect of other debts of the debtor have been paid, or such award has ceased to subsist under sub-section (*5*) of section 29, or, if there is no award, until the expiry of such period not exceeding ten years as may be specified in the certificate.

Adjustment of an insolvent debtor's debts.

22. (*1*) When the Board is satisfied that the debts of a debtor are such that they cannot be reduced under the provisions of section 19 to an amount which he will be able to repay within twenty years, and that the debtor is a fit person to be given the benefit of this section, the Board if it is so empowered under section 7, may, subject to rules made under this Act and after considering all the circumstances of the debtor, by a written order declare him to be insolvent and may by such order either—

(*a*) reduce his debts to such amounts as it considers that he can pay within a period, not exceeding twenty years, to be mentioned in the order, or

(*b*) if, for reasons to be recorded in writing, it does not consider the reduction of his debts under clause (*a*) to be desirable, direct that, subject to the provisions of sub-section (*4*) and of section 24, all his property shall be sold and the proceeds shall be utilised towards the payment of his debts in such manner as may be specified in the order.

(*2*) The Certificate-officer shall, on the requisition of the Board in the prescribed form, sell the property of the debtor referred to in clause (*b*) of sub-section (*1*) in the manner provided in the Bengal Public Demands Recovery Act, 1913, and the provisions of the said Act regarding sales in execution of certificates shall, subject to the provisions of this Act, apply to such sale.

Ben. Act III of 1913.

(*3*) When the Board reduces the debts of an insolvent under clause (*a*) of sub-section (*1*), it shall specify in the order what sum he shall pay in each year towards the settlement of the debts as so reduced and in what manner such sums shall be distributed among the creditors :

The Bengal Agricultural Debtors Act, 1935.

(Sections 23, 24.)

Provided that the sum to be paid in each year shall be fixed by the Board at an amount which, in its estimation, is likely, in a year of normal harvest, to leave to the insolvent as provision towards his maintenance one-half of the surplus which remains from the value of the produce of his land after paying to the landlord the current rent due for such land.

(*4*) When the Board directs the sale of an insolvent's property under clause (*b*) of sub-section (*1*), it shall set aside, as provision towards his maintenance, not more than one-third of the land held by him in his direct possession exclusive of the land occupied by his dwelling house :

Provided that, even if he holds less than three acres of land in his direct possession, the Board shall thus set aside not less than one acre of the land so held exclusive of the land occupied by his dwelling house :

Provided further that no portion of the immovable property of an insolvent shall be exempted under this sub-section from sale for realisation of arrears of rent.

(*5*) When the property of the insolvent referred to in clause (*b*) of sub-section (*1*) has been sold under sub-section (*2*) or when he has paid all the sums fixed by the Board under sub-section (*3*) or when his property has been sold under section 28, the Board shall make an order of discharge and grant him a certificate of discharge in the prescribed form. Such certificate shall release the insolvent from all debts which were or might have been included in the application under section 8 :

Provided that if within five years of the order declaring the debtor insolvent any property is acquired by, devolves on, or is declared by a Civil Court or is discovered to belong to, the insolvent debtor such property shall, on application made by a creditor to the Board, be available for distribution among the creditors of the debtor, to the extent of their debts, in such manner as the Board may direct.

(*6*) An order passed by a Board under sub-section (*1*) shall be embodied in an award to be made by the Board.

23. The principal of any debt due in respect of arrears of rent or under section 171 of the Bengal Tenancy Act, 1885, shall not be reduced under clause (*b*) of sub-section (*1*) of section 19 or under section 22, and the provisions of section 21 shall not apply to the principal of any such debt. VIII of 1885.

Exemption of certain property of an insolvent debtor from sale.

24. (*1*) When a debtor is declared insolvent under sub-section (*1*) of section 22, the Board shall, in the prescribed manner, determine what portion of his immovable property shall be deemed to be the dwelling house of the debtor for the purposes of this Act.

(*2*) Such dwelling house shall be exempt from sale under sub-section (*2*) of section 22 and from sale for the recovery of any unsecured debt under section 28, and, notwithstanding anything contained in any other Act, the debtor shall be incompetent to mortgage, charge, lease or alienate the same in any way until he is granted a certificate of discharge under sub-section (*5*) of section 22.

(*3*) Notwithstanding anything contained in any other Act, no part of the property of a debtor who has been declared insolvent under sub-section (*1*) of section 22 shall be exempt from sale under sub-section (*2*) of that section or under section 28 except such movable property as shall be prescribed, the immovable property excluded as provision towards his maintenance, and, subject to the provisions of sub-section (*2*), his dwelling house as determined under sub-section (*1*)

(Sections 25, 26.)

(*3*) From the date of the signing of the award under sub-section (*2*) it shall, in supersession of all previous decisions of a Civil Court in respect of the debts mentioned in it, be binding on the debtor and his creditors and the successors in interest of such debtor and creditors.

Special provision for arrears of rent.

26. Notwithstanding anything contained in this or any other Act—

(*a*) if any rent due for any land mentioned in the list referred to in clause (*a*) of sub-section (*1*) of section 25 falls into arrears, the landlord may include in a suit for the recovery of such arrears the amount of arrears of rent payable under such award ;

(*b*) if any land referred to in clause (*a*) is advertised for sale in execution of a decree, or of a certificate under the Bengal Public Demands Recovery Act, 1913, for arrears of rent, the provisions of section 171 of the Bengal Tenancy Act, 1885, shall not apply, but any person whose interests are affected may pay into Court the amount requisite to prevent such sale, and thereupon the amount so paid, together with interest at the prescribed rate which shall not exceed twelve *per centum per annum*, shall be included by the Board in the award in accordance with rules made under this Act and such amount shall take priority of every other debt payable under the award and of every other charge on the land other than an arrear of rent.

27. (*1*) When an award is made as regards any debt which is secured by a mortgage, lien or charge on any immovable property of a debtor, such mortgage, lien or charge shall subsist to the extent of the amount payable in respect of such debt under the award until such amount has been paid or the property has been sold for the satisfaction of such debt or the debtor has been granted a certificate of discharge under sub-section (*5*) of section 22.

(*2*) Any mortgage, lien or charge upon any immovable property securing a debt on account of which any amount is payable under a decree of a Civil Court shall cease to subsist when such property is sold under the provisions of section 28 or sub-section (*4*) of section 29.

Recovery of amounts included in an award.

28. (*1*) If by the date fixed the debtor fails to pay any amount payable under an award such amount shall be recoverable as a public demand on application made within the prescribed period by a creditor to whom the amount is due.

If the creditor does not so apply such amount shall, for the purposes of clause (*iii*) of section 35, be deemed to be a debt incurred by the debtor after the date of the signing of the award.

(*2*) Subject to any rules made under this Act, the Certificate-officer, if satisfied that there is good reason for the failure to pay by the fixed date, may allow time to the debtor within which to pay any amount due. If the Certificate-officer thus allows time, he may, if he thinks fit, further direct that a similar period of time shall be given to the debtor after the time fixed in the award for payment of any other amount payable thereunder, within which to make such other payment, and the award shall be deemed to be modified accordingly.

(*3*) If the Certificate-officer does not allow time under sub-section (*2*), or if the debtor fails to pay within the time allowed, the Certificate-officer shall proceed to recover the amount in the manner provided in the Bengal Public Demands Recovery Act, 1913 : Ben. Act III of 1913.

Provided that, if such debtor has been declared insolvent under section 22, the Certificate-officer after allowing such time, if any, as he thinks fit, shall, forthwith, subject to the provisions of sub-section (*4*) of section 22 and section 24, sell such portion of the property of the debtor as will be sufficient to pay all the amounts payable whether under the award or under sub-section (*1*) of section 29.

(*4*) Subject to the proviso to sub-section (*3*), if the Certificate-officer fails to recover the full amount in respect of which an application has been made under sub-section (*1*) by sale of the movable property or agricultural produce of the debtor, he shall sell such portion of the immovable property of the debtor as will be sufficient to pay all amounts payable whether under the award or under sub-section (*1*) of section 29 or under any decree which has, to the knowledge of the Certificate-officer, been passed by a Civil Court in respect of a debt of which details are included in the award under clause (*c*) of sub-section (*1*) of section 25.

(*5*) When the Certificate-officer sells the immovable property of a debtor under sub-section (*2*) of section 22 or under this section he shall keep a separate account of the proceeds realised from the sale of any portion of such property upon which a mortgage, lien or charge is shown as subsisting in the list included in the award under clause (*a*) of sub-section (*1*) of section 25.

The Bengal Agricultural Debtors Act, 1935.

(Section 29.)

(*6*) If any debt in respect of which no amount is payable under the award is secured by a mortgage, lien or charge shown in such list, the Certificate-officer shall sell the immovable property subject to such mortgage, lien or charge, unless a decree of a Civil Court for the recovery of the debt is outstanding in respect of such property. If such a decree is outstanding the Certificate-officer shall distribute the sale proceeds in accordance with the provisions of clause (*a*) of sub-section (*2*) of section 29.

Distribution of sale proceeds.

29. (*1*) When a Certificate-officer has sold property of a debtor under sub-section (*2*) of section 22 or under section 28 he shall first pay from the proceeds of the sale any amount payable as costs of sale in execution of the certificate and next—

(*b*) any amount due to the Local Government included in a certificate issued under the Bengal Public Demands Recovery Act, 1913. Ben. Act III of 1913.

(*2*) After making the payments under sub-section (*1*), if any, the Certificate-officer shall proceed as follows :—

(*a*) he shall, in the first instance, apply the surplus of the proceeds realised from the sale of any portion of the immovable property for which he has kept a separate account under the provisions of sub-section (*5*) of section 28 to the payment of any amounts payable under the award or under a decree of a Civil Court to creditors on account of debts which are secured by a mortgage, lien or charge upon such property in order of priority determined in accordance with the provisions of the Transfer of Property Act, 1882, and if such surplus is insufficient to meet such payments the balance of such amounts shall, unless the debt has been extinguished by such sale, rank equally with unsecured debts : IV of 1882.

Provided that if there is any dispute or doubt as to the priority of payment of such debts the Certificate-officer shall refer the matter to the Appellate Officer who shall determine the same according to the provisions of the aforesaid Act ;

(*b*) when there is a surplus after payment of the amounts referred to in clause (*a*), the Certificate-officer shall apply the sum of such surplus and of any proceeds realised from the sale of other property of the debtor to the payment of any other amounts payable under the award,

and if such sum is insufficient to meet such payment such other amounts and any amount payable on account of an unsecured debt for the recovery of which a decree has been passed by a Civil Court, and of which details are given in the award under clause (*c*) of sub-section (*1*) of section 25, shall rank equally between themselves for purposes of payment :

(*4*) Notwithstanding anything contained in the Bengal Public Demands Recovery Act, 1913, if any amount payable under an award in respect of a debt secured by a mortgage, lien or charge on any immovable property of a debtor which is exempted from sale under the said Act cannot be recovered as a public demand, the Certificate-officer shall recover such amount by the sale of such immovable property and shall pay to the debtor the balance (if any) remaining after payment of such amount. The procedure under the Bengal Public Demands Recovery Act, 1913, shall be applicable to such sale. Ben. Act III of 1913.

(*5*) If the Certificate-officer fails to recover as a public demand or under the provisions of sub-section (*4*) any amount payable under the award, he shall certify that it is irrecoverable and thereupon the award shall cease to subsist and any amount that was payable under it shall be recoverable within three years from the date on which the award ceased to subsist as if a decree of the Civil Court had been passed for its payment on such date :

Provided that the Certificate-officer, instead of at once certifying any part of such amount to be irrecoverable may make a report to the Board which may pass an order declaring that the debtor is insolvent and thereupon the provisions of sub-section (*5*) of section 22 shall as far as possible apply to such insolvent.

PART VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1936:—

L. A. BILL No. 2 OF 1936.

A Bill to make certain further provisions respecting the law of arbitration in British India.

WHEREAS India was a State signatory to the Protocol on Arbitration Clauses set forth in the First Schedule, and to the Convention on the Execution of Foreign Arbitral Awards set forth in the Second Schedule, subject in each case to a reservation of the right to limit its obligations in respect thereof to contracts which are considered as commercial under the law in force in British India;

AND WHEREAS it is expedient, for the purpose of giving effect to the said Protocol and of enabling the said Convention to become operative in British India, to make certain further provisions respecting the law of arbitration;

It is hereby enacted as follows:—

Short title, extent and operation.

1. (*1*) This Act may be called the Arbitration (Protocol and Convention) Act, 1936.

(*2*) It extends to the whole of British India, including British Baluchistan and the Sonthal Parganas.

(3) The provisions of this Act, except this section, shall have effect only from such date as the Governor General in Council may, by notification in the Gazette of India, appoint in this behalf, and the Governor General in Council may appoint different dates for the coming into effect of different provisions of the Act.

2. In this Act "foreign award" means an award on differences relating to matters considered as commercial under the law in force in British India, made after the 28th day of July, 1924,—

(*a*) in pursuance of an agreement for arbitration to which the Protocol set forth in the First Schedule applies, and

(*b*) between persons of whom one is subject to the jurisdiction of some one of such Powers as the Governor General in Council, being satisfied that reciprocal provisions have been made, may, by notification in the Gazette of India, declare to be parties to the Convention set forth in the Second Schedule, and of whom the other is subject to the jurisdiction of some other of the Powers aforesaid; and

(*c*) in one of such territories as the Governor General in Council, being satisfied that reciprocal provisions have been made, may, by like notification, declare to be territories to which the said Convention applies,

and for the purposes of this Act an award shall not be deemed to be final if any proceedings for the purpose of contesting the validity of the award are pending in the country in which it was made.

Stay of proceedings in respect of matters to be referred to arbitration.

3. Notwithstanding anything contained in the Indian Arbitration Act, 1899, or in the Code of Civil Procedure, 1908, if any party to a submission made in pursuance of an agreement to which the Protocol set forth in the First Schedule as modified by the reservation subject to which it was signed by India applies, or any person claiming through or under him, commences any legal proceedings in any Court against any other party to the submission or any person claiming through or under him in respect of any matter agreed to be referred, any party to such legal proceedings may, at any time after appearance and before filing a written statement or taking any other steps in the proceedings, apply to the Court to stay the proceedings; and the Court unless satisfied that the agreement or arbitration has become inoperative or cannot proceed, or that there is not in fact any dispute between the parties with regard to the matter agreed to be referred, shall make an order staying the proceedings. IX of 1899. V of 1908.

Effect of foreign awards.

4. (*1*) A foreign award shall, subject to the provisions of this Act, be enforceable in British India as if it were an award made on a matter referred to arbitration in British India.

(*2*) Any foreign award which would be enforceable under this Act shall be treated as binding for all purposes on the persons as between whom it was made, and may accordingly be relied on by any of those persons by way of defence set off or otherwise in any legal proceedings in British India, and any references in this Act to enforcing a foreign award shall be construed as including references to relying on an award.

Filing of foreign award in Court.

5. (*1*) Any person interested in a foreign award may apply to any Court having jurisdiction over the subject-matter of the award that the award be filed in Court.

(2) The application shall be in writing and shall be numbered and registered as a suit between the applicant as plaintiff and the other parties as defendants.

(3) The Court shall direct notice to be given to the parties to the arbitration, other than the applicant, requiring them to show cause, within a time specified, why the award should not be filed.

Enforcement of foreign award.

6. (1) Where the Court is satisfied that the foreign award is enforceable under this Act, the Court shall order the award to be filed and shall proceed to pronounce judgment according to the award.

(2) Upon the judgment so pronounced a decree shall follow, and no appeal shall lie from such decree except in so far as the decree is in excess of or not in accordance with the award.

Conditions for enforcement of foreign awards.

7. (1) In order that a foreign award may be enforceable under this Act it must have—

(a) been made in pursuance of an agreement for arbitration which was valid under the law by which it was governed,

(b) been made by the tribunal provided for in the agreement or constituted in the manner agreed upon by the parties,

(c) been made in conformity with the law governing the arbitration procedure,

(d) become final in the country in which it was made,

(e) been in respect of a matter which may lawfully be referred to arbitration under the law of British India,

and the enforcement thereof must not be contrary to the public policy or the law of British India.

(2) A foreign award shall not be enforceable under this Act if the Court dealing with the case is satisfied that—

(a) the award has been annulled in the country in which it was made, or

(b) the party against whom it is sought to enforce the award was not given notice of the arbitration proceedings in sufficient time to enable him to present his case, or was under some legal incapacity and was not properly represented, or

(c) the award does not deal with all the questions referred or contains decisions on matters beyond the scope of the agreement for arbitration:

Provided that if the award does not deal with all questions referred the Court may, if it thinks fit, either postpone the enforcement of the award or order its enforcement subject to the giving of such security by the person seeking to enforce it as the Court may think fit.

(3) If a party seeking to resist the enforcement of a foreign award proves that there is any ground other than the non-existence of the conditions specified in clauses (a), (b) and (c) of sub-section (1), or the existence of the conditions specified in clauses (b) and (c) of sub-section (2), entitling him to contest the validity of the award, the Court may, if it thinks fit, either refuse to enforce the award or adjourn the hearing until after the expiration of such period as appears to the Court to be reasonably sufficient to enable that party to take the necessary steps to have the award annulled by the competent tribunal.

Evidence.

8. (*1*) The party seeking to enforce a foreign award must produce—

(*a*) the original award or a copy thereof duly authenticated in manner required by the law of the country in which it was made;

(*b*) evidence proving that the award has become final; and

(*c*) such evidence as may be necessary to prove that the award is a foreign award and that the conditions mentioned in clauses (*a*), (*b*) and (*c*) of sub-section (*1*) of section 7 are satisfied.

(*2*) Where any document requiring to be produced under sub-section (*1*) is in a foreign language, the party seeking to enforce the award shall produce a translation certified as correct by a diplomatic or consular agent of the country to which that party belongs or certified as correct in such other manner as may be sufficient according to the law in force in British India.

Saving.

9. Nothing in this Act shall—

(*a*) prejudice any rights which any person would have had of enforcing in British India any award or of availing himself in British India of any award if this Act had not been passed, or

(*b*) apply to any award made on an arbitration agreement governed by the law of British India.

Rule-making powers of the High Court.

10. The High Court may make rules consistent with this Act as to—

(*a*) the filing of foreign awards and all proceedings consequent thereon or incidental thereto;

(*b*) the evidence which must be furnished by a party seeking to enforce a foreign award under this Act; and

(*c*) generally, all proceedings in Court under this Act.

THE FIRST SCHEDULE.

PROTOCOL ON ARBITRATION CLAUSES.

The undersigned, being duly authorised, declare that they accept, on behalf of the countries which they represent, the following provisions:

1. Each of the Contracting States recognises the validity of an agreement whether relating to existing or future differences between parties subject respectivoly to the jurisdiction of different Contracting States by which the parties to a contract agree to submit to arbitration all or any differences that may arise in connection with such contract relating to commercial matters or to any other matter capable of settlement by arbitration, whether or not the arbitration is to take place in a country to whose jurisdiction none of the parties is subject.

Each Contracting State reserves the right to limit the obligation mentioned above to contracts which are considered as commercial under its national law. Any Contracting State which avails itself of this right will notify the Secretary-General of the League of Nations in order that the other Contracting States may be so informed.

2. The arbitral procedure, including the constitution of the Arbitral Tribunal, shall be governed by the will of the parties and by the law of the country in whose territory the arbitration takes place.

The Contracting States agree to facilitate all steps in the procedure which require to be taken in their own territories, in accordance with the provisions of their law governing arbitral procedure applicable to existing differences.

3. Each Contracting State undertakes to ensure the execution by its authorities and in accordance with the provisions of its national laws of arbitral awards made in its own territory under the preceding articles.

4. The Tribunals of the Contracting Parties, on being seized of a dispute regarding a contract made between persons to whom Article 1 applies and including an Arbitration Agreement whether referring to present or futre differences which is valid in virtue of the said article and capable of being carried into effect, shall refer the parties on the application of either of them to the decision of the Arbitrators.

Such reference shall not prejudice the competence of the judicial tribunals in case the agreement or the arbitration cannot proceed or becomes inoperative.

5. The present Protocol, which shall remain open for signature by all States, shall be ratified. The ratification shall be deposited as soon as possible with the Secretary-General of the League of Nations, who shall notify such deposit to all the Signatory States.

6. The present Protocol will come into force as soon as two ratifications have been deposited. Thereafter it will take effect, in the case of each Contracting State, one month after the notification by the Secretary-General of the deposit of its ratification.

7. The present Protocol may be denounced by any Contracting State on giving one year's notice. Denunciation shall be effected by a notification addressed to the Secretary-General of the League, who will immediately transmit copies of such notification to all the other Signatory States and inform them of the date on which it was received. The denunciation shall take effect one year after the date on which it was notified to the Secretary-General, and shall operate only in respect of the notifying State.

8. The Contracting States may declare that their acceptance of the present Protocol does not include any or all of the undermentioned territories: that is to say, their colonies, overseas possessions or territories, protectorates or the territories over which they exercise a mandate.

The said States may subsequently adhere separately on behalf of any territory thus excluded. The Secretary-General of the League of Nations shall be informed as soon as possible of such adhesions. He shall notify such adhesions to all Signatory States. They will take effect one month after the notification by the Secretary-General to all Signatory States.

The Contracting States may also denounce the Protocol separately on behalf of any of the territories referred to above. Article 7 applies to such denunciation.

THE SECOND SCHEDULE.

CONVENTION ON THE EXECUTION OF FOREIGN ARBITRAL AWARDS.

Article 1.—In the territories of any High Contracting Party to which the present Convention applies, an arbitral award made in pursuance of an agreement, whether relating to existing or future differences (hereinafter called "a submission to arbitration") covered by the Protocol on Arbitration Clauses opened at Geneva on September 24th, 1923, shall be recognised as binding and shall be enforced in accordance with the rules of the procedure of the territory where the award is relied upon, provided that the said award has been made in a territory of one of the High Contracting Parties to which the present Convention applies and between persons who are subject to the jurisdiction of one of the High Contracting Parties.

To obtain such recognition or enforcement, it shall, further, be necessary:

(*a*) That the award has been made in pursuance of a submission to arbitration which is valid under the law applicable thereto;

(*b*) That the subject-matter of the award is capable of settlement by arbitration under the law of the country in which the award is sought to be relied upon;

(*c*) That the award has been made by the Arbitral Tribunal provided for in the submission to arbitration or constituted in the manner agreed upon by the parties and in conformity with the law governing the arbitration procedure;

(*d*) That the award has become final in the country in which it has been made, in the sense that it will not be considered as such if it is open to opposition, appeal or pourvoi en cassation (in the countries where such forms of procedure exist) or if it is proved that any proceedings for the purpose of contesting the validity of the award are pending;

(*e*) That the recognition or enforcement of the award is not contrary to the public policy or to the principles of the law of the country in which it is sought to be relied upon.

Article 2.—Even if the conditions laid down in Article 1 hereof are fulfilled, recognition and enforcement of the award shall be refused if the Court is satisfied:

(*a*) That the award has been annulled in the country in which it was made;

(*b*) That the party against whom it is sought to use the award was not given notice of the arbitration proceedings in sufficient time to enable him to present his case; or that, being under a legal incapacity, he was not properly represented;

(*c*) That the award does not deal with the differences contemplated by or falling within the terms of the submission to arbitration or that it contains decisions on matters beyond the scope of the submission to arbitration.

If the award has not covered all the questions submitted to the arbitral tribunal, the competent authority of the country where recognition or enforcement of the award is sought can, if it thinks fit, postpone such recognition or enforcement or grant it subject to such guarantee as that authority may decide.

Article 3.—If the party against whom the award has been made proves that, under the law governing the arbitration procedure, there is a ground, other than the grounds referred to in Article 1 (*a*) and (*c*), and Article 2 (*b*) and (*c*), entitling him to contest the validity of the award in a Court of Law, the Court may, if it thinks fit, either refuse recognition or enforcement of the award or adjourn the consideration thereof, giving such party a reasonable time within which to have the award annulled by the competent tribunal.

Article 4.—The party relying upon an award or claiming its enforcement must supply, in particular:

(1) The original award or a copy thereof duly authenticated, according to the requirements of the law of the country in which it was made;

(2) Documentary or other evidence to prove that the award has become final, in the sense defined in Article 1 (*d*), in the country in which it was made;

(3) When necessary, documentary or other evidence to prove that the conditions laid down in Article 1, paragraph 1 and paragraph 2 (*a*) and (*c*), have been fulfilled.

A translation of the award and of the other documents mentioned in this Article into the official language of the country where the award is sought to be relied upon may be demanded. Such translations must be certified correct by a diplomatic or consular agent of the country to which the party who seeks to rely upon the award belongs or by a sworn translator of the country where the award is sought to be relied upon.

Article 5.—The provisions of the above Articles shall not deprive any interested party of the right of availing himself of an arbitral award in the manner and to the extent allowed by the law or the treaties of the country where such award is sought to be relied upon.

Article 6.—The present Convention applies only to arbitral awards made after the coming into force of the Protocol on Arbitration Clauses, opened at Geneva on September 24th, 1923.

Article 7.—The present Convention, which will remain open to the signature of all the signatories of the Protocol of 1923 on Arbitration Clauses, shall be ratified.

It may be ratified only on behalf of those Members of the League of Nations and non-Member States on whose behalf the Protocol of 1923 shall have been ratified.

Ratifications shall be deposited as soon as possible with the Secretary-General of the League of Nations, who will notify such deposit to all the signatories.

Article 8.—The present Convention shall come into force three months after it shall have been ratified on behalf of two High Contracting Parties. Thereafter, it shall take effect, in the case of each High Contracting Party, three months after the deposit of the ratification on its behalf with the Secretary-General of the League of Nations.

Article 9.—The present Convention may be denounced on behalf of any Member of the League or non-Member State. Denunciation shall be notified in writing to the Secretary-General of the League of Nations, who will immediately send a copy thereof, certified to be in conformity with the notifications, to all the other Contracting Parties, at the same time informing them of the date on which he received it.

The denunciation shall come into force only in respect of the High Contracting Party which shall have notified it and one year after such notification shall have reached the Secretary-General of the League of Nations.

The denunciation of the Protocol on Arbitration Clauses shall entail, *ipso facto*, the denunciation of the present Convention.

Article 10.—The present Convention does not apply to the Colonies, Protectorates or territories under suzerainty or mandate of any High Contracting Party unless they are specially mentioned.

The application of this Convention to one or more of such Colonies, Protectorates or territories to which the Protocol on Arbitration Clauses opened at Geneva on September 24th, 1923, applies, can be effected at any time by means of a declaration addressed to the Secretary-General of the League of Nations by one of the High Contracting Parties.

Such declaration shall take effect three months after the deposit thereof.

The High Contracting Parties can at any time denounce the Convention for all or any of the Colonies, Protectorates or territories referred to above. Article 9 hereof applies to such denunciation.

Article 11.—A certified copy of the present Convention shall be transmitted by the Secretary-General of the League of Nations to every Member of the League of Nations and to every non-Member State which signs the same.

STATEMENT OF OBJECTS AND REASONS.

The Government of India have had for some time past under consideration to question of India's adherence to the Geneva Protocol on Arbitration Clauses (1923) and the International Convention on the Execution of Foreign Arbitral Awards (1927). The object of these Instruments is to meet the widely expressed desire of the commercial world that arbitration agreements should be ensured effective recognition and protection. A large number of countries including many of first-class commercial and industrial importance, *e.g.*, the United Kingdom, France, Germany, the Netherlands, have adhered to these Instruments.

2. After consulting Local Governments, High Courts, and commercial bodies, a majority of whom were found to be in favour of India's accession to these Instruments, the case was placed before the Commerce Department Standing Advisory Committee of the Legislature who recommended that India should adhere to the Instruments. These have accordingly been signed at Geneva on behalf of India, subject to reservations limiting India's obligations under the Instruments to commercial contracts and excluding the Indian States from the scope of the Instruments.

3. The Instruments provide for their ratification by a contracting party before they are enforced in respect of that party. Prior to ratification it is necessary to enact legislation to implement certain obligations contracted under these Instruments and the present Bill incorporates the legislation needed in this respect.

NOTES ON CLAUSES.

Preamble.—The Protocol and the Convention are set forth as Schedules to the Bill for the enlightenment of Courts dealing with litigation under the Bill. For the same reason a recital of the reservation subject to which each was signed is necessary.

Clause 1.—The Protocol takes effect one month after ratification is notified. The Convention takes effect three months after ratification is deposited. It may be desirable therefore that section 3 of the Act which implements the Protocol should be in force at an earlier date than will suffice for the remaining sections which implement the Convention.

Clause 2.—The foreign awards which British India is required to recognise under the Convention as modified by the reservation subject to which the Convention and the earlier Protocol were signed by India, are here defined.

Power is given to the Governor General in Council to declare by notification what Powers are parties to the Convention. This is designed to afford Courts in British India a means of ascertaining at any time the Powers and territories to which the Convention applies.

Clause 3.—Section 19 of the Indian Arbitration Act, 1899, and paragraph 18 of the Second Schedule to the Code of Civil Procedure, 1908, had been the existing law on the subject of stay of proceedings in respect of matters to be referred to arbitration. Under these provisions the Court has discretion to grant or refuse stay of proceedings. India's undertakings under the Protocol require that it should be obligatory on a British Indian Court to stay proceedings when these arise in regard to an agreement to submit to arbitration differences relating to commercial matters made by parties subject respectively to the jurisdiction of different Contracting States. Clause 3 makes special provision accordingly for this limited class of submissions. Compare section 1 of the Arbitration Clauses (Protocol) Act, 1924 (14 and 15 Geo. V. Ch. 39), as amended by section 8 of the Arbitration (Foreign Awards) Act, 1930 (20 Geo. V. Ch. 15).

Clause 4.—The first sub-clause declares the special class of awards to which the Act applies to be enforceable in British India.

The second sub-clause provides for securing the effectiveness in other respects of such awards. Compare section 2(2) of the Arbitration (Foreign Awards) Act, 1930.

Clauses 5 and 6 provide the machinery for enforcing foreign awards and are based on similar provisions contained in paragraphs 20 and 21 of the Second Schedule to the Code of Civil Procedure, 1908.

Clause 7 corresponds to section 3 of the Arbitration (Foreign Awards) Act, 1930, and embodies the substance of Articles 1, 2 and 3 of the Convention.

Clause 8 embodies Article 4 of the Convention.

Clause 9 gives effect to Article 5 of the Convention.

Clause 10.—This clause enables such supplementary provisions to be made as may be necessary for regulating the procedure of Courts in dealing with the enforcement of foreign awards.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 6th March, 1936:—

L. A. BILL No. 4 OF 1936.

A Bill to remove certain doubts and to establish the validity of certain proceedings in High Courts of Judicature in British India.

WHEREAS doubts have arisen as to the validity of certain proceedings in High Courts of Judicature in British India under the Letters Patent erecting and establishing those Courts;

AND WHEREAS it is expedient to terminate those doubts and to establish the validity of those proceedings;

It is hereby enacted as follows:—

Short title and extent.

1. (*1*) This Act may be called the Decrees and Orders Validating Act, 1936.

(*2*) It extends to the whole of British India, including British Baluchistan and the Sonthal Parganas.

Certain decrees and orders not to be called in question.

2. No decree passed or order made by the High Court of Judicature at Fort William in Bengal, the High Court of Judicature at Madras or the High Court of Judicature at Bombay, in the exercise of its ordinary original civil jurisdiction under clause 12 of its Letters Patent, or by the High Court of Judicature at Rangoon, in the exercise of its original civil jurisdiction under clause 10 of its Letters Patent, shall be called in question in any proceedings before any other Court on the ground that the High Court passing the decree or making the order had no jurisdiction to pass or make the decree or order.

Restoration of proceedings.

3. Where in any proceedings concluded on or after the 26th day of August, 1935, any such decree or order has been found to be invalid on such ground by any Court, such finding shall be void and of no effect; and the Court shall, notwithstanding anything to the contrary in the Indian Limitation Act, 1908, or any other law for the time being in force, on application made within six months from the commencement of this Act by any person prejudicially affected by such finding, restore the proceedings at and continue the proceedings from the stage reached immediately before the order embodying or based on such finding was made. IX of 1908.

STATEMENT OF OBJECTS AND REASONS.

The Court of the Judicial Commissioner of the Central Provinces has recently in two judgments passed on the 26th August and the 11th September, 1935, held that certain decrees passed or orders made by the Bombay High Court in the exercise of the jurisdiction which that Court conceived it possessed under clause 12 of its Letters Patent were made without jurisdiction.

Clause 12 of the Letters Patent of the Bombay High Court, which is identical in terms with clause 12 of the Letters Patent of the Madras and Calcutta High Courts and corresponds to clause 10 of the Letters Patent of the Rangoon High Court, has been variously interpreted by the several High Courts, and the question of amending the clause is under consideration.

This Bill is designed to obviate in the meantime the inconvenience which would result if the decrees or orders of a High Court acting in the exercise of its ordinary original civil jurisdiction, as the Court itself interprets that jurisdiction, proved infructuous in another Court which favoured a different interpretation.

CALCUTTA, THE 6TH APRIL 1936.

RESOLUTION—No. 2630Ind.

Minister-in-charge: The Hon'ble Nawab Sir Mehiuddin Faroqui, Kt., of Ratanpur.

Read—

The Annual Administration Report of the Department of Industries, Bengal, for the year 1934-35.

Mr. A. T. Weston held charge of the department throughout the year under review. The post of Deputy Director of Industries, which was held in abeyance in pursuance of the recommendation of the Retrenchment Committee of 1924, was revived and filled by the appointment of Mr. S. C. Mitter, who continued to perform the duties of the Industrial Engineer in addition.

2. The chief features of the year under review were the comparative stability at low price levels and the absence of buoyancy in purchasing power. These conditions, which placed the organised industries at a disadvantage, also proved a great handicap to industrial development. The continuation of the low price régime necessarily involved reduction of costs of production and a competitive struggle for new markets.

3. Although the field of its work was necessarily restricted owing to the limitations imposed by financial stringency, the Industries Department continued to do useful work towards the development of small and cottage industries. The handloom weaving industry which is easily the largest and most important cottage industry in Bengal naturally occupied the attention of the department to a large extent. It is to the credit of the department that through its efforts the old throw shuttle type of handloom has been replaced by the more productive modern type in practically every district in Bengal. The department has also succeeded in introducing improved dobbies and jacquards over a wide area of the province. It has also encouraged the establishment of a new industry in Bengal, viz., the manufacture of jacquard machine apparatus. In the Baranagore area there are at least four workshops engaged in manufacture of jacquards. About 2,900 jacquards produced in these factories have been sold to the weavers of Bengal. Under the Unemployment Relief Scheme which has been in operation for a little over three years, twenty-eight demonstration parties were established in the more important cottage industries likely to afford a remunerative occupation to a large number of workers, viz., jute and wool weaving, soap-making, umbrella-making, brass and bell-metal ware, leather goods, cutlery and pottery. It is gratifying to note that as a result of the working of the demonstration parties and of the district and peripatetic weaving schools more than 11,000 students are known to have been provided with employment or have started business of their own in the respective industries up to January 1936.

The two Industrial Surveyors employed under the unemployment relief scheme were fully engaged in exploring avenues of marketing and assisting the small industrialists in the difficult task of finding a market for their products. The survey of the cottage industries in the Noakhali district was completed during the year under report and that relating to the Nadia district was in progress.

The initiation of practical measures for arresting the further decline of the market for Bengal silk engaged the attention of the marketing investigator throughout the year. He was sent to the silk districts and other places to study the problem. With the object of re-establishing markets for Bengal silk the Murshidabad Silk Association has been organised with the principal merchants dealing in woven silk articles as its constituents.

The development of the coir industry as a profitable cottage industry also engaged the attention of the department, and an experimental coir-making and spinning demonstration party was established in the Calcutta Technical School for the purpose of working out the detailed processes of using coir yarn for woven and pile mat-making and other uses. The results have been promising and steps have been taken since the close of the year to send out four demonstration parties in the deltaic districts of the province for demonstration purposes.

4. The department also pressed forward with its programme of research, the value of which as a means of making available to industrialists, particularly to the smaller ones, who cannot afford to have experiments of their own the up-to-date methods of manufacture, cannot be over-estimated. Special efforts were made during the year to advance the technique of soap-making and to reduce the cost of manufacture. The results of the researches proved useful not only to small workers but also to factories. Investigation of the conditions of manufacture of soft soap which is used in the industries was also undertaken with satisfactory result. Researches were also carried on into other technical problems such as varnishes, gloy paste, less known oil seeds, etc. Minor technical problems requiring more or less practical experiments were also solved in the Industrial Research Laboratory for the benefit of the small industrialists. In the brass and bell-metal industry the manufacture of brass and German silver tea spoons by a process of sand moulding, and of brass dolls and images by a process of clay moulding, has been standardised. The introduction of a new kiln designed by the department and the evolution of new processes of glazing for ornamental pottery have proved beneficial to the pottery industry. Experiments were carried out in the laboratory on "Majolica" ware

glazes, earthenware bodies for manufacturing "Chota hazri" sets and "*Parian*" bodies for manufacturing figures, etc., and the results obtained are expected to advance the development of the industry in fruitful channels. The manufacture of parasols, fancy umbrella handles and walking sticks has been standardised.

5. Technical and industrial education in all its branches including weaving education continued to receive attention. It is noteworthy that the total number of technical and industrial schools of all kinds—both Government and non-Government—in Bengal and the number of scholars attending them on the 1st January 1935 were 132 and 6,102 against 121 and 5,337, respectively, on the 1st January 1928. Although these figures do not show any large increase in the number of schools or scholars, it is a welcome sign of the times that there is a growing appreciation of the fact that the industrial salvation of the province depends to a great extent on a wider diffusion of such education.

6. The work in the Bengal Tanning Institute in all the main branches of its activities proved beneficial to the local tanning industry. Owing to the low prices of raw hides and skins the small chrome tanneries in Calcutta producing low priced articles made a profitable business. The larger chrome tanneries sold their lower grade products in India and exported those of higher grades chiefly to the United Kingdom. The beneficial effect of the Ottawa Agreement on this export trade which was noticed in the preceding year's review was manifest to an even greater extent during the year under report, and the export of Indian box sides was the outstanding feature of the Indian leather-trade during the year. The improvement of quality is the most pressing need of the tanning industry, and the researches on the various tanning processes carried out at the institute have resulted not only in the improvement of the quality of leather but also in the reduction of the cost of its production.

One gratifying feature of the shoe industry in Bengal was the employment of an increasing number of Bengali *Bhadralok* youths in the industry among whom the young men trained at the boot and shoe department of the institute were fairly represented.

7. The Government of Bengal (Ministry of Industries) have much pleasure in recording their appreciation of the manner in which the work of the department was conducted by Mr. A. T. Weston and his staff. The Minister-in-charge also takes this opportunity of conveying his thanks to the members of the Board of Industries and other Boards and Committees associated with the department for their assistance.

By order of the Government of Bengal
(Ministry of Industries),

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 13th April 1936.

I. *Character of the season.*—During the month under review, the rainfall was slightly in excess of the normal in twelve districts while in the rest of the presidency it was much below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—Cultivation of jute and paddy continued in low lands, but more rain was needed for the progress of the operation in high lands. Harvesting of spring crops was nearing completion.

III. *State of standing crops.*—The condition of standing crops was reported to be fair in East Bengal; elsewhere it was not satisfactory.

IV. *Prospects and probable outturn.*—The prospects of standing crops are reported to be, on the whole, fair. The outturn of summer rice and tobacco was estimated at 85 and 79 per cent. of the normal, respectively, this year.

V. *Damage to standing crops.*—Some damage to *rabi* crops by hail-storms was reported from Noakhali and Jalpaiguri.

VI. *Condition of agricultural stock.*—The condition of live-stock was, on the whole, fair. Sporadic cases of cattle disease, however, were reported from eighteen districts of the province and from the Cooch Behar and Tripura States.

VII. *Failure of pasturage and fodder.*—Insufficiency of fodder was reported from parts of Nadia, Murshidabad, Burdwan, Bankura and Hooghly districts.

VIII. *Price of food-grains.*—During the second fortnight of the month, the retail prices of common rice of the cheapest quality rose in eleven districts and fell in three and remained stationary in the rest of the presidency. The price ranged from 10 seers per rupee at Darjeeling to 14 seers per rupee at Jalpaiguri.

IX. *Condition of agricultural population.*—The condition of agricultural population is, on the whole, fair, except in parts of Nadia, Murshidabad, Birbhum, Bankura, Khulna, Hooghly and Burdwan, where distress continues.

In addition to these visits at fixed times the members will pay unexpected visits to the hospitals, provided that they do not go at times which are inconvenient to the hospital authorities. If all the five members of the group are not present, the remaining members can go round without the absentee or absentees, as the case may be. The members constituting the group should inspect the internal arrangements and offer such suggestions regarding the administration of the institution as they think proper. The Committee as a whole will meet at least once a quarter, review the reports of the visiting groups and discuss the remedial measures adopted. The Superintendent of the Medical College Hospitals should attend the meetings of the Visiting Committee.

A visitors' book will be kept in the hospitals in which the recommendations of the Committee will be recorded.
